A Professional Development opportunity for Secondary School Teachers and FE Lecturers of Art and Design

Art with Lindsay Mackay

Venue: Studio Llwyndrain nr Crymych

Date: Please contact Careers Wales to discuss dates
Workshops available during school term, school holidays and weekends

Studio Llwyndrain is situated in the heart of the Preseli Hills in Pembrokeshire. It is an unique facility offering a range of art courses tailored to the meet the needs of individuals.

This course will give you the opportunity to:

- Undertake a range of practical workshops tailored to your individual needs
- Work with professional artist Lindsay Mackay and to gain an understanding of the rewards and pitfalls of working as a professional artist

Choose ONE practical workshop from the list below:

- ***Watercolour painting*** – tuition will cover technical aspects such as washes, colour mixing, brush strokes, perspective and composition
- ***Mixed media*** – utilise the local landscape and coast line, as well as still life as a stimuli to create personal responses involving water based paint and applied materials
- ***Oils*** – tuition will covers technical aspects such as surface preparation, colours, brush strokes, perspective and composition
- ***Drawing*** – develop your skills in pencil, pen and ink and charcoal
- ***Printmaking*** – tuition in mono printing and intaglio/colograph printing

Workshops limited to a maximum of 6

If you would like to register for the placement, please complete the attached reply slip and return to:
